

# Beautiful [E]

Phil Wickham - CCLI# 5124024: Copyright 2007 seems like music

**E** **A**  
I see Your face in every sunrise  
**C#m** **B**  
The colors of the morning are inside Your eyes  
**E** **A**  
The world awakens in the light of the day  
**C#m** **B**  
I look up to the sky and say  
**E** **A** **C#m** **B**  
You're beautiful

**E** **A**  
I see Your power in the moonlit night  
**C#m** **B**  
Where planets are in motion and galaxies are bright  
**E** **A**  
We are amazed in the light of the stars  
**C#m** **B**  
It's all proclaiming who You are  
**E** **A** **C#m** **B**  
You're beautiful

**E** **A**  
I see you there hanging on a tree  
**C#m** **B**  
You bled and then you died and then you rose again for me  
**E** **A**  
Now you are sitting on Your heavenly throne  
**C#m** **B**  
Soon we will be coming home  
**E** **A** **C#m** **B**  
You're beautiful

**E** **A**  
When we arrive at eternity's shore  
**C#m** **B**  
Where death is just a memory and tears are no more  
**E** **A**  
We'll enter in as the wedding bells ring  
**C#m** **B**  
Your bride will come together and we'll sing  
**E** **A** **C#m** **B**  
You're beautiful

**E** **A** **C#m** **B**  
I see Your face, You're beautiful, You're beautiful, You're beautiful
