

Save Me – Played on Capo 2

BY JJ AND DAVID HELLER

C

Living

Am I really living
Or am I just existing
Hiding away

C

Danger

The world is full of danger
But if I never try to go outside
My heart will waste away

Am

Come and save me

You're the only source of all the peace I need
Come and save me

C

You tell me life will not be pain free

What will be will always be in your control

Am

Darkness is light to you

And all you ask me to do

Is trust what you say is true

Am

You are stronger

Than any terrible possible scenario today

Come and save me

You're the only source of all the peace I need
Come and save me - Come and save me

Am

Save me ...

Back Home – Capo 2

BY JJ AND DAVID HELLER

Don't let your eyes get used to darkness
The light is coming soon
Don't let your heart get used to sadness
Put your hope in what is true

No matter how the wind may blow
It cannot shake the sun
Lay your sorrows on the ground
It's time to come back home

When the future seems uncertain
Like the coming of a storm
Your loving Father carries his children
When they can't walk anymore

Chorus
